Level 1 Guide Course Pack List

(1 week)

please label all gear with name

We have included a suggested clothing list as you are not on an overnight camping program, but you will most likely be camping while on Salt Spring

It is expected that you come with some essential equipment. If you do not have these items, please ensure that you obtain them before the start date.

We have rentals available for kayaks, (which includes accessories) and for wetsuits.

Please let us know well ahead of time if you will require any of these rentals.

Items Needed:

- Kayak with front and stern bulkheads
- Two kayak paddles
- Float rescue pad
- Chart 3442 (we can provide small laminated version of chart)
- Tow line
- Stirrup
- Handheld Compass
- Wetsuit or Drysuit
- Change of clothing & a drybag for it
- Paddling clothes
- Manual handheld bilge pump
- "Rite in the Rain"/dry erase booklet & pen

***Camping gear is considered safety gear for day guides on trips, in case of an emergency or unplanned overnight. This includes a stove, sleeping bags, tarp & string. It is **not** necessary to bring this daily as your instructors will carry it. If during scenarios you need something from this Camping/Safety Gear bag, you will be welcome to borrow it.

Optional but recommended if you already have them:

- handheld Marine Radio. We listen to the radio every day so having one will help you get better at writing weather and understanding the forecasts.
- Flares

Clothing

- A good sunhat with a brim, and a toque
- 3- pair underwear (you can always wash some)
- 2-3 pair wool/synthetic socks
- Bathing suit/shorts and 1 small towel (Pack towel is best)
- 1 pair long underwear, top & bottoms (synthetic or wool)
- 1-2 long-sleeved synthetic shirts (fleece style is best)
- 1 set of good, **waterproof** rain gear: jacket and pants
- 1 warm synthetic puffy jacket/insulation jacket that packs down nicely
- 2 pairs of long pants (not cotton)
- 1 pair of water friendly sandals, water socks or booties (flip flops are not appropriate water shoes)
- 1 pair of light hiking boots or runners

Note: Cotton gear gets wet quickly and becomes heavy, very cold and dries very slowly.

Wool or synthetic gear acts like a wick and moisture is drawn to the outer layers.

Jeans are not appropriate pants for program

Wearing layers including wool and synthetic is best for our climate.

Other gear

- Sunscreen and sunglasses with straps, Zinc sticks for face – Please ensure all sunscreen is reef friendly.
- Toiletries - toothbrush, toothpaste, brush/comb, face cloth, contacts/glasses, etc. as well as any medications (please refer to medical form)
- Flashlight or headlamp (with an extra set of batteries)
- Medication – It is mandatory to bring an extra set of medication for instructor to pack if you have a severe allergy; anaphylactic or have any critical medications you cannot be without; just in case they get spoiled, wet or need to be administered by instructor.
- Synthetic sleeping bag (not down or cotton/flannel bags, which absorb moisture and don't insulate well in a marine environment).

- 1L water bottle
- 2 -dry bags (mid-size, not over 15L, 10 litres is best for packing)
- Write in the rain book for note taking. These should be small 5" X 2.5 "is perfect for packing in a pocket.
- Paddling Gloves, poggies (neoprene over-mit) or neoprene gloves if your hands get cold.

Extras if camping:

- Synthetic sleeping bag - not down filled or cotton/flannel lined, which absorb moisture and don't insulate well in a coastal environment (we have extras, they have a \$20+GST cleaning fee)
- Theramarest/inflatable sleeping pad or insulated pad (we have extras, they have a \$15+GST cleaning/maintenance fee)
- **Bug spray** can be helpful at your camp; however, some people are sensitive to them and many brands - particularly those containing DEET - are highly toxic.
Please use bug spray with care or consider a natural brand or bug net.
- Cell phone or laptop to access online material if necessary.

What do you bring with you daily when on the Level 1 course?

Your wetsuit and or dry suit. We will be getting wet every afternoon.

Pack a full change of warm clothing in a 10 litre dry bag that is watertight, including rain gear.

Pack a full lunch, snacks and 2 liters of water and possibly a thermos of tea.

***If you take medication or have any allergies**

You must duplicate (two sets) and separate into two weatherproof case/bag with labels so the instructor has their own set of medication for your safety
